Selectmen's Report

T.R.A. money was used to start the needed repairs on Lower Bay Road, one of the most traveled roads in our town.

May we again remind all students who wish to apply for a scholarship that applications may be acquired from your school principal and must be filed no later than May 1st 1973 at the town office.

The Selectmen would like to inform any elderly person who wish to apply for a \$5000.00 exemption, that application forms are available at the Town Office. In order to qualify, a single person's income must be less than \$4000.00. A couple less than \$5000.00 or total assets—real estate, bank accounts, stocks, bonds etc. cannot exceed \$25,000.00.

Unless a taxpayer files an inventory before April 15th with the Board of Assessors, legally, he or she has no recourse regarding, his or her assessment for tax purpose. We urge all property owners to complete the form, sign it and return it to the Town Office.

In Dec. 1972 the Selectmen received from the Office of Revenue Sharing \$10,988.00. In January 1973 \$10,554.00 for total of \$21,542.00 for year of 1972 which has been placed in a separate account to be used for priority expenditures: (1) Ordinary and necessary maintenance and operation expenses for —(A) Public safety (including law enforcement, fire protection, and building code enforcement.) (B) Environmental protection (including sewage disposal, sanitation, and pollution abatement) (C) Public transportation (including transit systems and streets and roads). (D) Health (E) Recreation (F) Libraries (G) Social services for the poor or aged (H) Financial administration (2) Ordinary and necessary capital expenditures authorized by law.

The revenue sharing from the Department of the Treasury is estimated to continue for five years.

With the increasing growth rate of the Town the Selectmen receive on an average of one building permit per week. We are presently trying to reorganize the Town office to operate more efficient with the growth rate.

POLICE DEPARTMENT

The termination of another year in law enforcement has brought the town closer to the realization of more effective enforcement. The members have participated in all of the state and federal in-service training programs available within the state and as a result have increased their effectiveness immensely. The department hosted the annual Convention of New Hampshire Chiefs of Police, during the month of June. The convention site was at Steele Hill Inn. The department along with the Police Departments of Tilton and Northfield sponsored a very successful lecture on drug abuse aimed at bringing the adult closer to the problems of the abuses found within this area.

On behalf of the citizens of this state and the Law Enforcement agencies of this state I wish to extend my utmost appreciation to Mr. and Mrs. David Swain of Hunkins Pond Road, for their cooperation this fall in the arrest of a felon. Their actions resulted in the arrest of a burglary suspect and the solving of over a dozen burglaries and larcenies which ranged over 5 counties in this state. It also resulted in the termination of activities whereby stolen items were bought and sold in 3 locations within this state. My personal thanks to you for your cooperation and efforts.

Law enforcement was brought to the town in greater amounts this year than in any other year before. There was a man on duty at least 9 hours every day. This year we hope to double the amount of coverage and bring you even closer to complete 24 hours patrol coverage. The crime reporting has increased this year over last, but so has our ability to cope with the crime. We, the members of your department, will endeavor to curtail these activities with your assistance.

Respectfully,
Louis R. Nielsen
Chief of Police

SANBORNTON FIRE DEPARTMENT

This year we have concentrated largely on purchasing small equipment. Every fireman is now fully equipped with protective clothing and there is a receiver in every fireman's home. Response time has been greatly reduced.

Twelve men attended the Fire School at Lily Pond. Many hours have been spent in training and much has been accomplished in Fire Pre-Planning.

Surrounding towns have furnished equipment to aid in our fire drills.

The Department responded to seventeen calls in town and fifteen mutual aid calls.

Work will commence on the Sub-Station project at the Chapel in early spring, and it is hoped that financial aid will come from the Town.

We wish to acknowledge the gift of one half the cost of a "Compressed Air Mask" from the Ladies Auxiliary and thank them for their untiring efforts in behalf of the Fire Department.

Much credit goes to the Lakes Region Mutual Aid Dispatch Center for their superb handling of calls and dispatching of equipment. This Center has immeasurably increased the fire fighting capability of the whole area.

Respectfully submitted,
GEORGE S. CURRIER
Fire Chief

WOMEN'S AUXILIARY OF THE SANBORNTON FIRE DEPARTMENT

The year 1972 began with the Second Annual Supper and Social in April, held in honor of the Sanbornton Firemen. Elections were held in May with officers elected as follows: Marcia Vander Mast, President; Bertha Fuller, Vice President; Elizabeth Cotsibas, Secretary; Mildred Sanborn, Treasurer.

In June a Coffee was held at the home of Joyce Craig in honor of Ruth Gray, our outgoing president, in appreciation of all her efforts on behalf of the Auxiliary.

Throughout the year we have had many fund raising projects. In August we sold refreshments at the Old Home Day Baseball Game. In October we put on a Harvest Supper and for the past few months we have been selling stationary. The proceeds from these projects have enabled us to aid the Fire Department in purchasing a self-contained air mask used in fire fighting.

With the continued support of the community we hope to have an even more successful year ahead.

WINNISQUAM FIRE DEPARTMENT

Total number of emergency calls — 40
12 were mutual aid calls
28 were in the Winnisquam area

These calls were in the following towns:

Belmont	— 7
Tilton	— 15
Sanbornton	— 8
Franklin	— 1
Gilford	— 4
Gilmanton	— 2
Laconia	— 2
Meredith	— 1

Type of calls:

1 Motel fire	4 Barn fires	1 Gas fire
2 Rescue calls	1 Chimney fire	1 Mill fire
3 Trailer fires	5 Grass fires	3 Electric fires
10 House fires	1 Garage fire	1 Furnace fire
1 Brush fire	3 Vehicle fires	
1 False alarm	2 Gas spills	

The trucks were operated 504 miles

Total man hours spent 910 hours

The present fire equipment consists of:

1	1968	750 gal pump—1,000 gal. tank
1	1952	500 gal. pump—600 gal. tank
1	1951	350 gal. pump—400 gal. tank
1	1958	Van type Rescue truck

There are at present 30 volunteer firemen enrolled in the Department. A Regular Meeting, Officers' Meeting and a Drill are held once each month as well as attendance at Mutual Aid Meetings and Fire Schools.

Four (4) members attended the two-day fire school held in June at Lily Pond Fire Training School

A total of 20 Plectrons or radio alert monitors are in use in the homes of Department members, resulting in a faster response to alarm calls. One (1) Plectron has been installed on the siren at the station.

The radios in Engines #1 and 3 have been converted to two (2) channels.

Approximately 130 children in the Winnisquam Area attended this year's annual Carole Davis Children's Party on Dec. 17, met a real Santa Claus and were given presents, candy and ice cream.

All Red Phones were removed as of July 1, 1972.

The station was manned over Motorcycle Weekend, and during other various emergencies.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-Town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back-up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire. Remember, it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

STATE	410 fires	361	acres burned
DISTRICT	90 fires	135½	acres burned
TOWN	0 fires

REPORT OF THE PLANNING BOARD FOR THE YEAR 1972

The people of Sanbornton should be gratified that their efforts to protect and preserve the "rural nature" of their town through their Zoning Ordinance have withstood two court tests. The first test, Steel Hill Development, Inc., v. Town of Sanbornton, Civil Action, United States District Court for the District of New Hampshire, took place in that court in Concord in January. Planning Board Chairman Alexander F. Livingstone, Secretary Marion Atwood, and Selectman Edward Craig testified at this trial before United States District Judge Hugh Bownes. The town's case was expertly presented by Town Counsel Peter Millham. On February 18th Justice Bownes presented a fifteen-page decision in favor of the town. Copies of the entire decision are available for examination in the Town Clerk's office. However, certain statements by the Honorable Justice Bownes are quoted below for the benefit of those who may not have the time to review the entire decision.

"This case reflects the current clash between those interested in opening up new and hitherto undeveloped land for sale and profit and those wishing to preserve the rural character of Northern New England"

"If I were to decide this case based solely on the question of whether the lot sizes were reasonably necessary from the stand-point of health and safety, I would find that the three-acre minimum provided adequate insurance for the problems of sewage disposal and drainage that are inevitable in this type of soil and that the six-acre minimum was not reasonably necessary. But health and safety are not the only standards. The Zoning Enabling Act, New Hampshire Revised Statutes Annotated, Chapter 31:60, specifically provides: For the purpose of promoting health, safety, morals, or the general welfare of the community (Emphasis added.)"

"The people of Sanbornton had a legitimate interest in considering the traffic problems that would be caused by this development not only the long-accepted hazards to life and limb, but also the recently recognized danger of pollution of the atmosphere."

"The people of Sanbornton have a right to try to protect themselves against the ugly suburban

sprawl that has become part of the great megalopolis running from Washington, D.C., to Portland, Maine."

"It is important to stress that there was no evidence that the new zoning law was prompted by discrimination of any sort. Nor was there any showing of population pressures directly or indirectly impinging on the town. There is no evidence that the amendments constitute either snob zoning or exclusionary zoning."

"Under all of the facts, I do not find that the zoning amendments enacted by the Town of Sanbornton at its Town Meeting in March of 1971, were so arbitrary or unreasonable as to deprive the plaintiff of any rights guaranteed under the United States Constitution.

Judgement for the defendant."

"Steel Hill Development, Inc., then appealed the above before Chief Judge Coffin at the United States Court of Appeals for the First Circuit in Boston. Justice Coffin and Circuit Judges Aldrich and McEntee "affirmed" the decision of the lower court. The entire text of this decision is available for examination in the Selectmen's office, but again to be sure the residents are aware of the implications of the case we submit the following excerpts from the court "Opinion".

"About one hundred townsfolk attending the meeting on November 13, 1970, expressed opposition to any development by Steel Hill. Nevertheless, the Planning Board later approved the subdivision plan for thirty-seven lots, in face of a petition, presented by about thirty town residents, for zoning the entire town as six-acre minimum lots. Because public interest had been heightened in preserving Sanbornton's "charm as a New England small town", the Planning Board then proposed amendments to the zoning ordinance designed to enlarge the Forest Conservation areas, and to establish separate General Residential Districts and Agricultural Districts, with increased minimum acreage requirements in these districts and in the Historical Preservation and the Recreational Districts. These were passed."

"The District Court stated that it could not find the six-acre requirement reasonable if only health and safety were considered, but that such re-

quirement was reasonably related to the promotion of the general welfare of the community Several witnesses testified that not only would the town's rural character be destroyed by Steel Hill's massive plans, which would in effect double the town's population, but that there would be immeasurable ecological harm."

" appellant here does not seek to satisfy an already existing demand for suburban expansion, but rather seeks to create a demand in Sanbornton on behalf of wealthy residents of Megalopolis"

"In short, no precedent compels its application to the case before us. We are faced with "a local legislation determination that the general welfare will be promoted by exclusion of an unwanted use from a non-metropolitan community (which exclusion) is not likely to conflict with a regional need for local space for that use."

"We recognize, as within the general welfare, concerns relating to the construction and integration of hundreds of new homes which would have an irreversible effect on the area's ecological balance, destroy scenic values, decrease open space, significantly change the rural character of this small town, pose substantial financial burdens on the town for police, fire, sewer and road service, and open the way for tides of weekend "visitors" who would own second homes. If the federal government itself has thought these concerns to be within the general welfare, see, e.g., 42 U.S.C. 4321, et seq., we cannot say that Sanbornton cannot similarly consider such values and reflect them in its zoning ordinance."

"Were we to adjudicate this as a restriction for all time, and were the evidence from land-deprived and land-seeking outsiders more real, we might well come to a different conclusion. Where there is a natural population growth it has to go somewhere, unwelcome as it may be, and in that case we do not think it should be channelled by the happenstance of what town gets its veto in first."

"In effect, the town has bought time for its citizens"

“ While we affirm the district court's determination at the present time, we recognize that this is a very special case which cannot be read as evidencing a general approval of six-acre zoning and that this requirement may well not indefinitely stand without more homework by the concerned parties.”

The zoning ordinance was again amended at the March 1972, Town Meeting by affirmative votes on all six proposals. The subdivision regulations for the town have been updated, with substantial increase and detail in reference to road building within the town. Work on further amendments to the zoning ordinance has been slowed by the constant flow of subdivisions that are brought before the Board for approval.

It has been voted to have the next series of amendments ready for presentation at hearings during the summer months so that summer residents may have an opportunity to be heard on these matters. The Board has revisions prepared for several areas, and is studying the newest methods for fair and equitable control over the town's growth, such as “Impact Zoning”, Planned Unit Development, and Cluster Zoning.

The Library meeting hall continues to serve as a meeting place for the Sanbornton Band, the Sanbornton Historical Society, the Sanbornton Hill 4-H, and the Congregational Church School. Thirty folding chairs were purchased for the hall this year.

The Sanbornton Public Library was able to join with libraries in four neighboring towns in presenting three performances of the LITTLE RED WAGON summer theater for children due to receiving a Federal Title I grant. The shows were given at the Bay, Square and Chapel.

School children from Sanbornton Central School use the Library on a regular basis throughout the academic year.

The Sanbornton Public Library will greatly miss the services of Chairman George W. H. Gilman who resigned from the Board this January. Mr. Gilman has given the Library Board his valuable advice, his common sense and his humor for many years.

Thanks go to Mrs. Priscilla Bodwell, Mrs. Mildred Coombs, and Mrs. Doris Lane for their help during 1972.

Report of The Sanbornton Conservation Commission

The Conservation Commission submitted an application to the North Country Resource Conservation and Development Project, to which Belknap County is now annexed, for assistance with the developmnt of a nature trail at the Sanbornton Boulder Rest Area. This was the first project approved in the County and was completed in July.

We are also working with the Selectmen on the development of a town tax map. We have conferred with several tax map consultants and are now waiting to see if a new aerial photography flight of Belknap County is to be made for the North Country RC and D Project. This could be of considerable savings to the Town in developing a tax map.

All towns in New Hampshire must have a tax map by 1980. We are therefore asking for an appropriation each year to be held in reserve for this purpose.

Respectfully submitted,
Robert M. Bodwell
Selectman Member

REPORT OF SOLID WASTE COMMITTEE

TOWN OF SANBORNTON, N. H.

The Solid Waste Committee is charged with the responsibility of proposing a solution of the solid waste of the Town of Sanbornton.

The study will consider land fill, with or without adjoining communities participating.

The study will also take into consideration the purchase of additional sites and the possible extension of the present land fill site.

The committee would appreciate receipt of constructive suggestions by the citizens of the Town of Sanbornton.

SANBORNTON HISTORIC DISTRICT COMMISSION

The Sanbornton Historic District Commission has met on six occasions in 1972. Two meetings were concerned with the consideration of applications for building or alteration of an existing building in the District.

The remaining meetings were work-study meetings to consider the organization and procedures for the Commission. Discussion of materials from the State Planning Office and from the eleven other Historic Districts in New Hampshire was held.

The matter of lighting at the Square (and particularly the Town Buildings) was considered and tabled on three separate occasions.

**REPORT OF AN EXAMINATION AND AUDIT
OF THE ACCOUNTS
OF THE
TOWN OF SANBORNTON
ENDING DEC. 31, 1971
STATE OF NEW HAMPSHIRE
TAX COMMISSION**

August 2, 1972

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Sanbornton
New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Sanbornton and the fiscal year ended December 31, 1971, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Public Library, Fire Department and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets — As of December 31, 1970 and December 31, 1971: (Exhibit A-1)

Comparative Balance Sheets — General Fund — as of December 31, 1970 and December 31, 1971, are presented in Exhibit A-1. As indicated therein, the current surplus of the Town increased by \$3,893.86, from \$25,293.92 to \$29,187.78, during the fiscal year ended December 31, 1971.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of change in the current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Current Surplus:

Net Budget Surplus	\$9,925.95
--------------------	------------

Decreases in Current Surplus:

Surplus Used to Reduce Tax Rate	\$6,000.00	
Tax Collector's Excess Debits	32.09	
	<hr/>	6,032.09
Net Increase in Current Surplus		<hr/> \$3,893.86

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1971, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of \$2,864.39 plus a revenue surplus of \$7,061.56, resulted in a net budget surplus of \$9,925.95.

Long Term Indebtedness:

Comparative Balance Sheets — As of December 31, 1970 and December 31, 1971: (Exhibit A-5)

Comparative balance sheets of the outstanding long term indebtedness of the Town as of December 31, 1970 and December 31, 1971, are contained in Exhibit A-5. As indicated therein, the long term debt increased by \$885.00 during the year from \$29,015.00 to \$28,130.00. Long term notes in the amount of \$12,000.00 were issued, and matured notes totaling \$12,885.00 were paid during the fiscal year.

Statement of Debt Service Requirements: (Exhibit A-6)

A statement showing annual debt service requirements (principal and interest) as of December 31, 1971, is presented in Exhibit A-6.

TREASURER

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1971, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all Town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Appropriations For Humane Society Not Lawful:

It is noted that an appropriation of \$100.00 was raised for the New Hampshire Humane Society in the 1971 town budget. However, there is no statutory authority contained in the Revised Statutes Annotated that permits towns to raise funds for this purpose. This appropriation, therefore, was not lawful.

Appropriations of this kind should not be included in ensuing town budgets.

Conclusion:

The provisions of Chapter 71, Section 27-a, require that the auditors' summary of findings and recommendations, (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter must be published in its entirety.

We extend our thanks to the officials of the Town of Sanbornton for their assistance during the course of the audit.

Very truly yours,
Frederick E. Laplante

**TOWN OF SANBORNTON
Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Town of Sanbornton for the fiscal year ended December 31, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Sanbornton at December 31, 1971, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Summary of Findings and Recommendations

Board of Selectmen
Sanbornton, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of Stella M. Hackney, Tax Collector and Town Clerk of the Town of Sanbornton for the period January 1, 1972 to July 22, 1972, which was made by this Division in accordance with your request. This request was made under authority provided in R.S.A. 41:36.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amount of uncollected and unredeemed taxes as shown in this report are subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the exhibits contained in the audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Sanbornton for their assistance during the course of the audit.

Very truly yours,
Frederick E. Laplante
